

What is Schutzhund?

"The purpose of Schutzhund is to demonstrate the dog's intelligence & utility. It also measures the dog's mental stability, endurance, structural efficiencies, ability to scent, willingness to work, courage, & trainability."

We highly recommend Schutzhund! Not only is it a wonderful measure of your dog's working ability, a test of your training/handling skills and accomplishments, it is also a competitive sport. Schutzhund is NOT about teaching your dog to BITE. German Shepherd Dogs are protective by nature.... Schutzhund training teaches CONTROL of the bite!
